

ACC.19™

COMPLETE YOUR
EDUCATIONAL

Experience

Be There!
NEW ORLEANS
MARCH 16 - 18
2019

Complete Your Educational Experience

ACC.19 OFFERS A MULTITUDE OF LEARNING OPPORTUNITIES

to help you create a full and diverse experience. From general sessions to sessions on highly specialized topics; from poster sessions to late-breaking science; from learning destinations to clinical focus sessions, ACC.19 has everything to meet your learning needs.

When you're not attending sessions, stop by the ACC.19 Expo to visit more than 275 exhibiting companies and organizations to see the latest advances in pharmaceuticals, imaging, devices, health IT and the services you need to provide high-quality care to your patients. Stop by the specialty areas to learn more about a specific topic:

- ACC Central (Booth #1339)
- ACC International Chapters
- Health IT Pavilion
- Interventional Pavilion
- Publishers Showcase

In addition, the ACC.19 Expo features five Learning Destinations™ where you'll hear industry representatives provide insights into cardiovascular innovations in diverse, non-accredited, educationally focused areas. Learn more about the Learning Destinations at accscientificsession.org/LearningDestinations.

YOUR ACC.19 CHECKLIST

Make sure you're ready before you arrive in New Orleans.

- ❑ Know your ACC Username and Password (*you will need them for the ACC.19 App and Online Planner, access to ACC.19 AllAccess and to claim your credit and access your attendance certificate*)
- ❑ Download the ACC.19 App and start creating your itinerary (search ACC.19 in your app store)
- ❑ Bring your badge and any additional vouchers or tickets
- ❑ Plan to arrive to the Ernest N. Morial Convention Center before 8:00 a.m. on Saturday, March 16 for the Opening Showcase Session in the ACC.19 Main Tent
- ❑ Start networking with your colleagues on Twitter using #ACC19

ACC.19 *Learning Destinations*

FUTURE HUB: THE FUTURE OF HEALTH TECHNOLOGY AND INNOVATION

Expo Hall, #146

The Future Hub is returning in 2019! It will inform, educate and inspire you with the latest innovations in devices, digital health, and big data. The theater will host live presentations focusing on how emerging technologies are poised to transform cardiovascular practice, real life examples of innovations in practice, and discussions of the implications of technology on the doctor-patient relationship. Topics will include:

- Opening the Cardiologist's Third Eye: Leveraging the Power of Computer Vision
- Meet Your Digital Twin: Understanding AR and VR in Your Practice
- Genomic Risk Prediction: From Bench to Clinic
- TelePCI: At the Edge of the Playing Field
- Augmented Cardiovascular Practitioner: Giving Doctors and Patients a New Voice
- Opening Pandora's Box: The Pros and Cons of Direct-to-Consumer Medical Devices
- Passion, Failure, Pivot, Success: The Lifecycle of a Start-Up
- The Patient Will See You Now: Building Your Virtual Program
- Build the Bridge Over Troubled Waters: Digital Devices in Heart Failure
- Finding the Clinician Entrepreneur and Establishing an Innovation Program
- And much more!

PLUS, DON'T MISS

the ACC.19 Innovation Challenge, featuring start-ups from around the country, pitching products and services in two categories. Don't miss your chance to hear the pitches and vote for the winners!

ARTIFICIAL INTELLIGENCE SOLUTION CHALLENGE

Sunday, March 17,
9:45 a.m. - 10:45 a.m.

DIGITALLY ENABLED MEDICAL DEVICES CHALLENGE

Monday, March 18,
9:45 a.m. - 10:45 a.m.

*ACC.19 Learning Destinations and Prime Time Events are not part of ACC.19, as planned by its Program Committee, and do not qualify for continuing medical education (CME), continuing nursing education (CNE) or continuing education (CE) credit.

Information is current as of Jan. 11, 2019, and subject to change. Please download the ACC.19 App, available in your mobile device's app store, or use the ACC.19 Online Planner for updated information.

INTERACTIVE LEARNING LAB

Experience hands-on training and interactive didactic presentations in the Interactive Learning Lab. This unique educational opportunity puts new technology in your hands and new information in your arsenal, as companies step outside their booths and into this classroom-like setting to share their knowledge with you and your peers.

Lundbeck (#1757)
